

# GRATITUDE ACTIVITY PLACEMAT

Share this gratitude activity placemat with the families in your ministry, and print one copy for each child. Have kids color the placemat activity sheet and do the activities on the placemat. Use this as a placemat at the table during the month of November to remind kids to gobble up gratitude!

This free printable is one of the weekly activities from [Gobble Up Gratitude](#), a 4-week faith family kit designed to help kids and families develop habits of thankfulness in the month of November! Learn more about this resource from Vanessa Myers [here](#).
